## For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the blood is in proper condition. A sluggish liver gives a tainted blood, which produces all sorts of ailments, such as itching skin, dandruff, etc.

Made by J. C. Ayer & Co., Lowell, Mass. Also manufacturers of Hair Vigor, and other remedies.
